Background

On March 21, 1979, the Treasury Department published in the **Federal Register** (44 FR 17156) the antidumping duty finding on viscose rayon staple fiber from Finland. This finding was revoked on November 7, 1994 (59 FR 55441), effective as of April 1, 1993. The revocation was rescinded on February 22, 1997 (61 FR 6814). On March 28, 1997, the petitioners, Courtalds Fibers Inc. ("Courtalds") and Lenzing Fibers Corporation ("Lenzing"), requested that the Department of Commerce ("the Department") conduct an antidumping administrative review of Kemira Fibres Oy ("Kemira"), the only known producer of viscose rayon fiber in Finland, and any related, affiliated, or successor company or companies. On April 24, 1997, we published a notice of initiation of this administrative review covering the period March 1, 1996, through February 28, 1997, (62 FR 19988) for Kemira. We issued a questionnaire on May 20, 1997. We received section A, B and C questionnaire responses from Kemira on July 3, 1997. We issued a supplemental questionnaire on August 15, 1997. We received a supplemental response from Kemira on September 10, 1997. We issued a second supplemental questionnaire on September 22, 1997. Kemira responded to this letter on October 6, 1997. On October 27, 1997, Kemira submitted information concerning sales of VISIL fiber, which it maintains are outside of the scope of the finding.

On August 28, 1997, the Department solicited comments from all interested parties concerning the model match criteria and methodology to be used in this review. It received comments from the petitioners on September 11, 1997 and October 24, 1997, and from the respondent on September 16, 1997 and November 4, 1997.

We conducted a verification of home market and United States sales at Kemira's headquarters in Valkeakoski, Finland from November 3, 1997 to November 7, 1997.

The Department is conducting this administrative review in accordance with section 751(a) of the Act.

Scope of Review

The product covered by this review is viscose rayon staple fiber, except solution dyed, in noncontinuous form, not carded, not combed and not otherwise processed, wholly of filaments (except laminated filaments
